

IN ADMIRATION OF MUSIC

ZENSOR 5

The ZENSOR 5 front baffle features the exclusive ZENSOR high-gloss lacquered finish, while high-grade vinyl adds an inviting look to the cabinet of medium density fibreboard, incorporating soundproof material and internal bracings.

As its big brother, the ZENSOR 5 highlights a line of prominent features such as removable front grille, steady aluminium base, and front mounted bass reflex port. 15 cm shorter than its larger sibling and still more than 80 cm tall, floor standing ZENSOR 5 will indeed prove to be a both recognizable and modern companion blending into your home décor in good taste.

ZENSOR 5 is where to look, if you wish to embellish your home environment with an authoritative and realistic, genuine DALI heritage speaker.

SPECIFICATIONS

Frequency range (+/- 3dB) [Hz]:	43,0 - 26.500,0
Sensitivity (2,83 V/1 m) [dB]:	88,0
Nominal impedance [ohms]:	6
Maximum SPL [dB]:	108,0
